Home Games is our annual main event held outside of Boston. We've grown from hosting 30 participants in 2021 to over 130/year spanning four competitions in one: Highland Games 9 Heavy Events, Team Highlander, Stonelifting, and Celtic Wrestling; Clan and vendor village, youth athletics, pipe bands, and VIP suite.

Scottish Heavy Events Highland Games Men's World Championships — 2025

Asked to host the Men's World Championships in 2025. We collaborated with the management, produced promotional material, coordinated all grounds & game day logistics, live-streamed the event, & assisted them in crowning the 2025 Champion.

Rogue Invitational; Aberdeen, Scotland — 2024

Onboarded by Rogue Fitness to manage and facilitate their first ever Highland Games demonstration & competition for the Rogue Invitational. This was their first international event, held at the P&J Live Arena in Aberdeen, Scotland.

Maine Highland Games; Windsor, Maine — 2023 - 2025

No Fame Games ran the entire athletic department for the Maine Highland Games.
